

Safe. Efficient. Strong.

Propane Bottle Carrier

Increase productivity while enhancing safety by equipping your work site with a flyable, stackable propane bottle carrier.

Engineered for optimal safety and efficiency, the PB-2BF Propane Bottle Carrier ensures your crews can do their job comfortably in those cold fall and winter months. Crew comfort is to keeping your job on time and on budget. Plus, save space by stacking these bottle carriers. Pre-load them and move them from site to site or use on site to move around bottles from floor to floor!

All Boscaro below-the-hook accessories are certified for use across North America and meet or exceed **ASME B-TH1/B30.20** standards.

Each unit comes with a dedicated serial number and conformity statement which ensures compliance with ASME.

FEATURES

- Secure tie down points for ratchet straps or chains
- Fold down ramp for ease of loading and transport
- Hold's 2 gas bottles up to 31" diameter or multiple smaller versions
- Stackable to save space on your site

"Boscaro products have proven time and time again their quality, safety, and durability. Boscaro products continue to offer significant value on our projects."

**Ed Hawthorne, Safety
Manager Walsh/PCL - JV II**
